PROFESSIONAL EXPERIENCE

INDEPENDENT PRODUCER

03/2022 - Current

Freelance | Mumbai, India |

- Delivered end-to-end content production for digital and e-learning platforms, managing planning, scheduling, execution, and delivery.
- Coordinated creative, instructional design, and production teams to ensure smooth execution and quality delivery.
- Managed vendors, tracked milestones, and ensured adherence to delivery timelines.
- Maintained delivery consistency across multiple concurrent projects.

HEAD OF PRODUCTION - CGI & INTEGRATED DELIVERY

06/2022 - 02/2025

White Turtle Studios- (Trailer Park Group) | Mumbai, India |

- Led end-to-end Print, CGI, photography, post-production, and integrated content delivery for global entertainment clients across multiple concurrent programs.
- Directed multidisciplinary teams across creative, production, CGI, and post-production functions while maintaining alignment across stakeholders and distributed teams.
- Managed global production pipelines spanning asset creation, resource allocation, workflow optimization, and quality control.
- Oversaw production operations supporting global clients including Netflix, Amazon Studios, Disney, HBO, and Paramount.
- Improved production efficiency by 20% through workflow redesign, tracking frameworks, and process optimization initiatives.
- Built scalable production systems enabling predictable delivery across high-volume creative workflows.
- Partnered closely with creative leadership, producers, and stakeholders to maintain creative quality and delivery excellence.

PRODUCTION MANAGER – MULTI-PIPELINE DELIVERY

08/2021 - 02/2022

Technicolor Studios | Mumbai, India |

- Managed production schedules, artist allocation, and delivery execution across VFX, CGI, and digital production pipelines.
- Coordinated cross-functional teams across creative, production, and technical disciplines.
- Maintained alignment between creative requirements, production constraints, and delivery expectations.
- Identified risks and implemented mitigation strategies to ensure production continuity.

PRODUCER - POST & CGI INTEGRATION

01/2021 - 02/2021

Freelance | Mumbai, India |

- Delivered virtual event content integrating CGI, motion graphics, edit, & VFX across multiple shows.
- Coordinated creative and technical teams to ensure consistent delivery quality.
- Managed production workflows and ensured milestone completion.

HEAD OF PRODUCTION - STATIC, VIDEO & PRINT

03/2018 - 10/2020

Happy Finish India | Mumbai, India |

- Led integrated production delivery across CGI, video, print, digital, and content ecosystems.
- Managed intake, planning, resource allocation, scheduling, and execution across multiple high-volume campaigns.
- Built strong partnerships across creative, client services, production, and account teams.
- Strengthened client confidence through structured delivery systems and transparent communication practices.
